MOTOR VEHICLES - Suspension of permits for running vehicles without valid fitness certificates - Instructions issued.

Home Department.

G.O. (Ms) No. 4985. Dated, the 30th November 1949

READ - the following:-

From the Central Road Traffic Board, R.No.11327/A1-49 dated the 9th November 1949.

ORDER:

Under Section 59 (3) (a) of the Motor Vehicles Act, it is a condition of every permit that the vehicle of vehicles to which the permit relates should at all times be so maintained as to comply with the requirements of Chapter V of the Act and the Rules made thereunder. Whether a vehicle is, or is not, maintained in conformity with the provisions of Chapter V of the Act and the connected rules is a question of fact which can be decided only by checking the condition of the vehicle, even if the vehicle carries a valid fitness certificate. Plying a vehicle ina a public place without a valid fitness certificate does not by itself constitute a violation of the condition imposed by section 59 (3) (a) of the Act, but it will be an offence under section 38 (1) read with section 22 (1).
